

Dockage (%)

Dockage

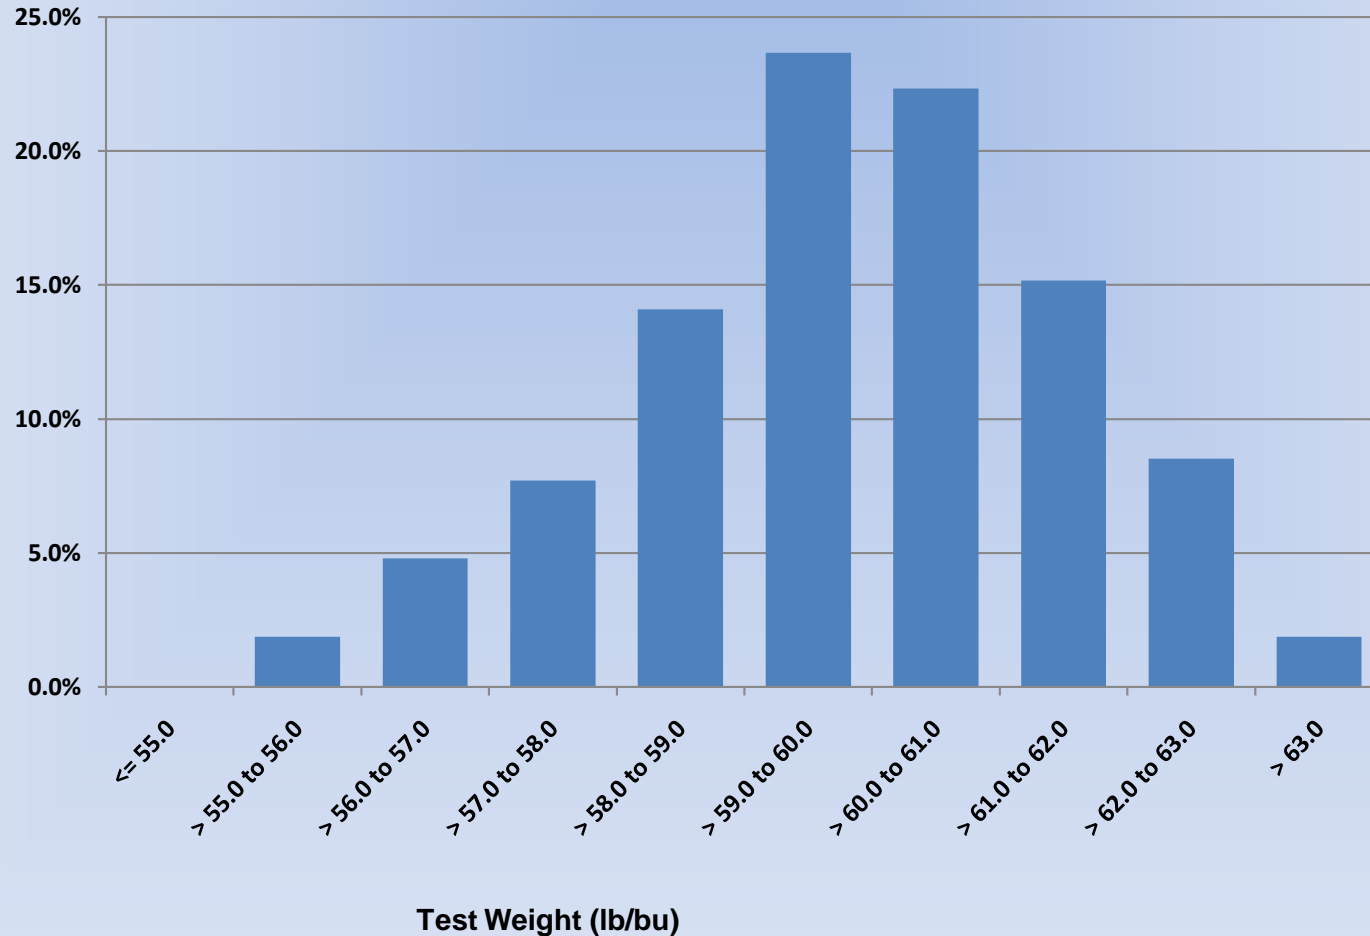

Minimum value 0.0
Maximum value 6.0
Average value 0.6

If the value is:

0.5

64% of the values are equal to or lower
36% of the values are higher

Test Weight (lb/bu)

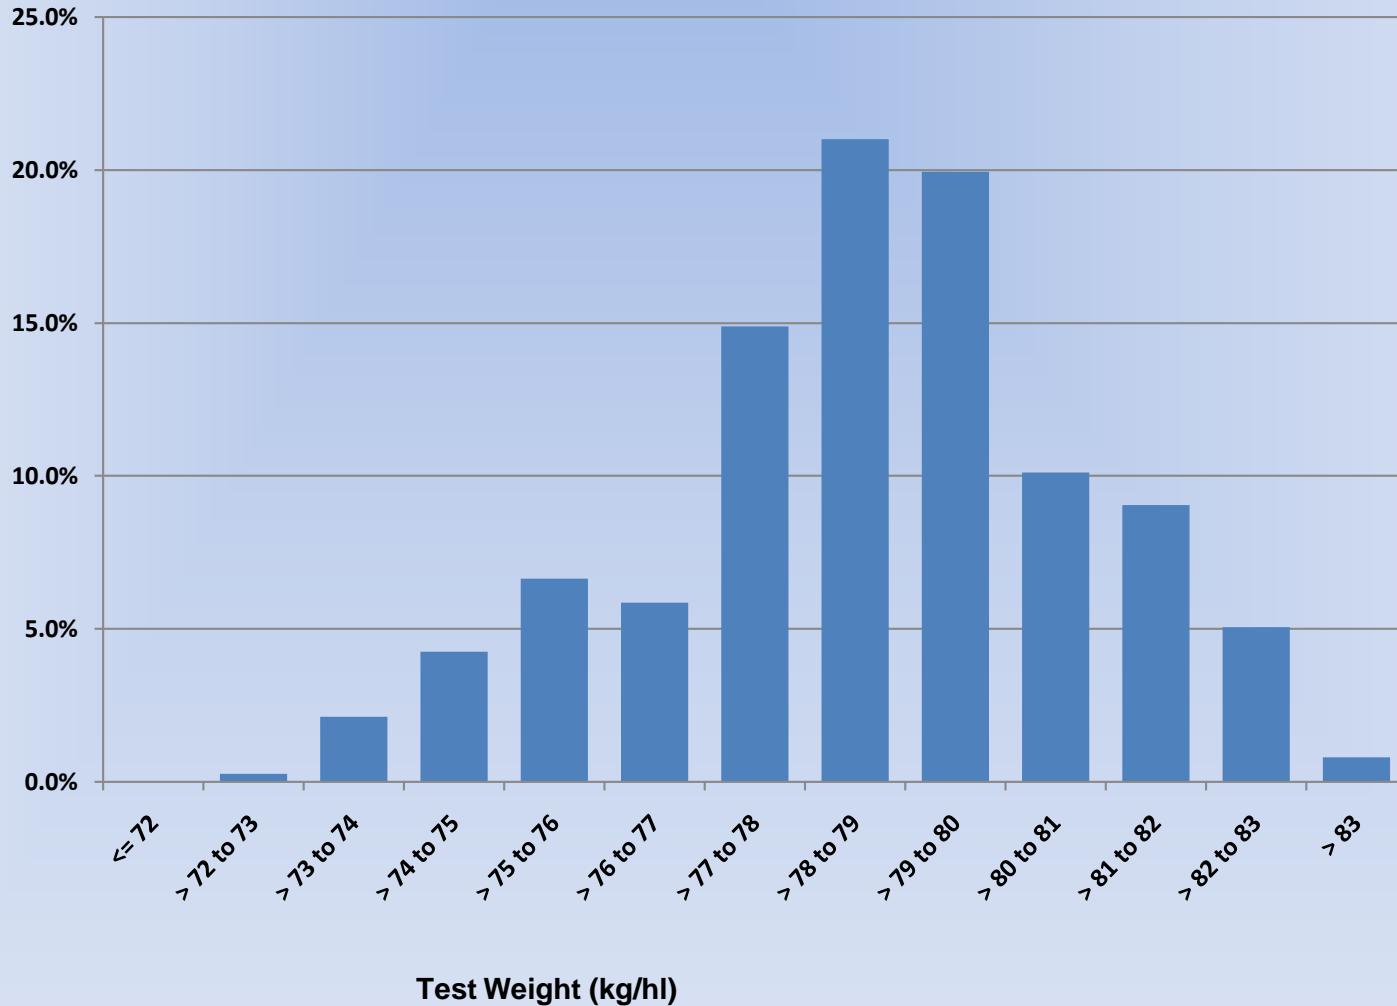

Minimum value 55.1
Maximum value 63.8
Average value 59.9

If the value is:

60.0

52% of the values are equal to or lower
48% of the values are higher

Test Weight (kg/hl)

Minimum

value

72.6

If the value is:

79

55% of the values are equal to or lower

Maximum

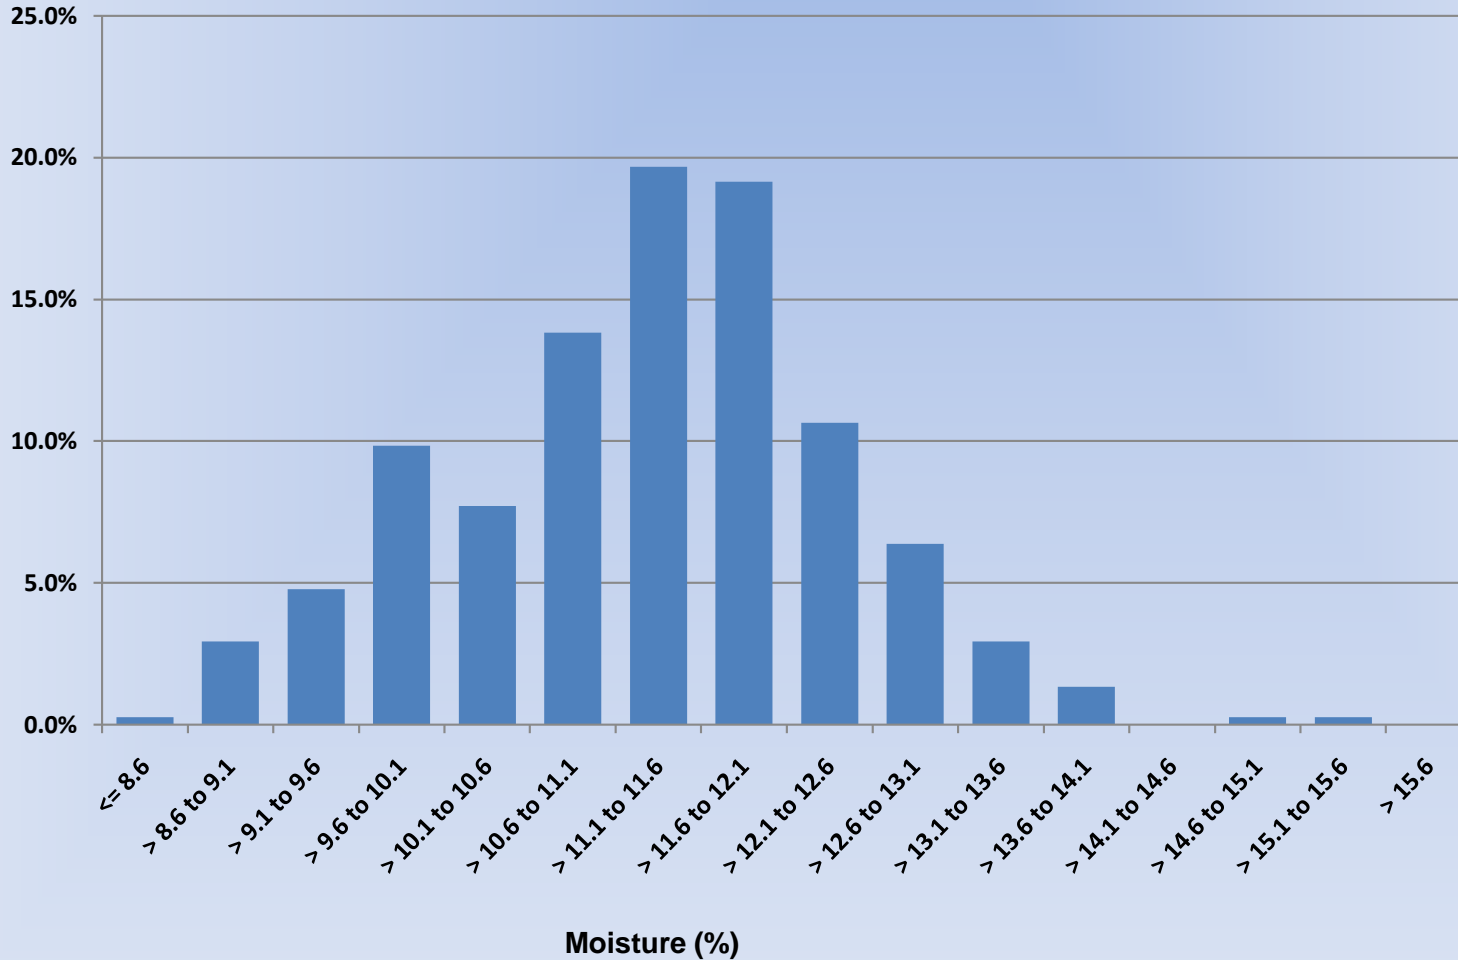

value

83.6

45% of the values are higher

Average value 78.703716

Moisture (%)

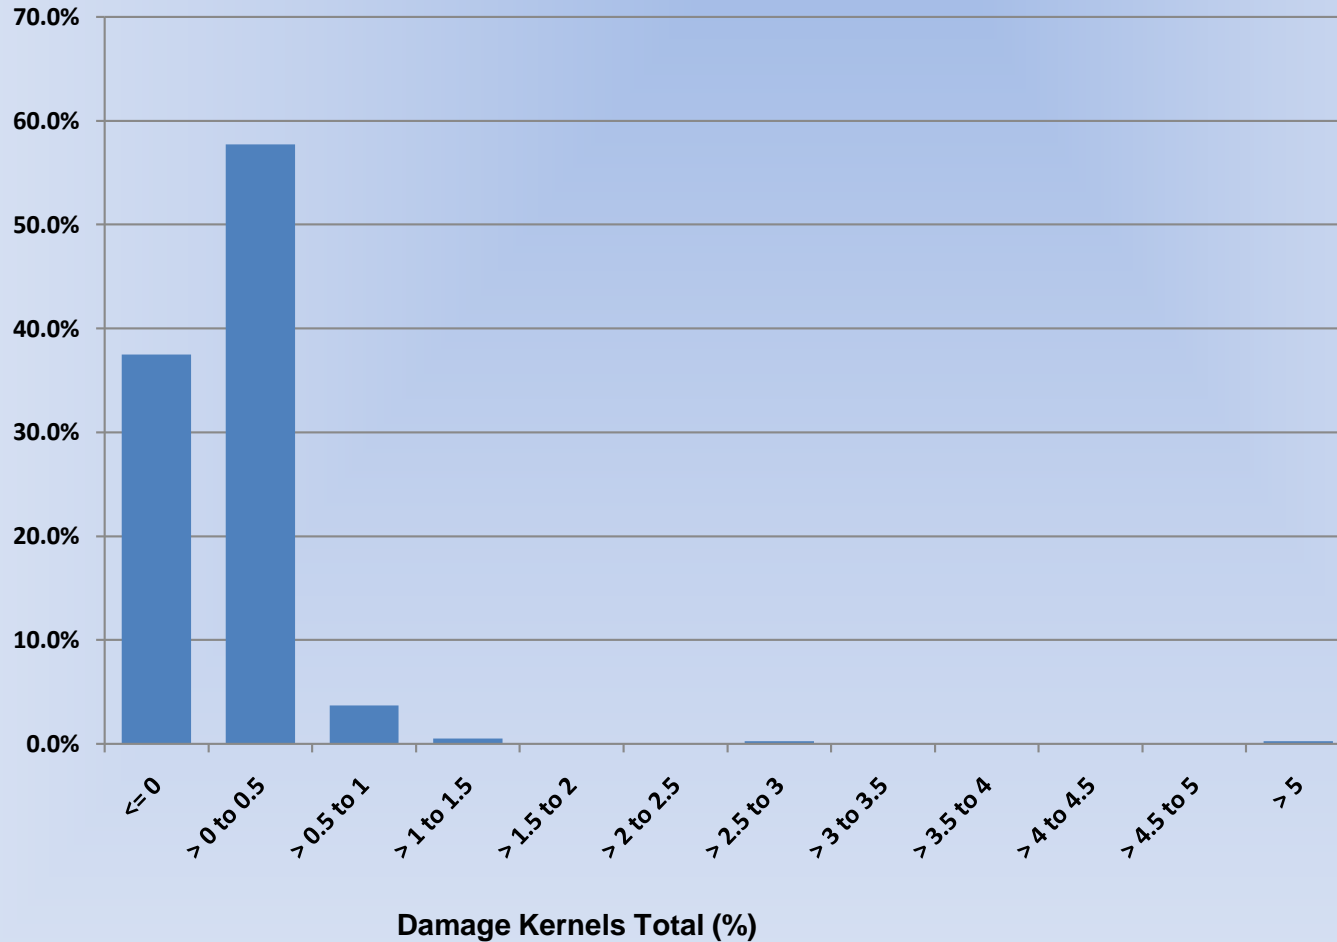

Minimum value 8.6
Maximum value 15.6
Average value 11.339628

If the value is:

12 74% of the values are equal to or lower
26% of the values are higher

Damaged Kernels (%)

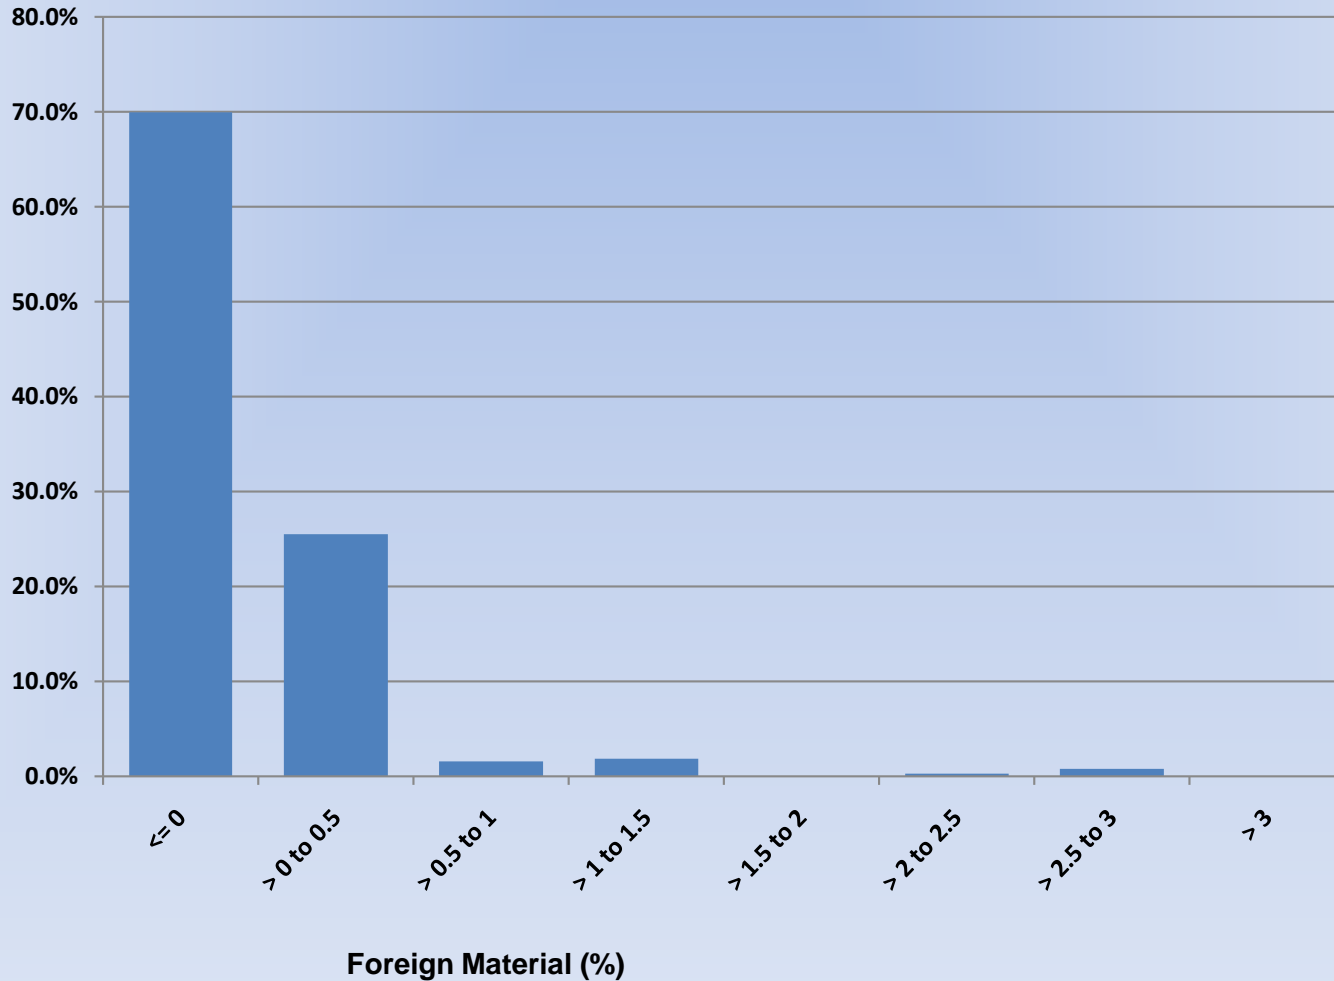

Minimum value 0
Maximum value 5.5
Average value 0.1965426

If the value is:

0 74% of the values are equal to or lower
26% of the values are higher

Foreign Material (%)

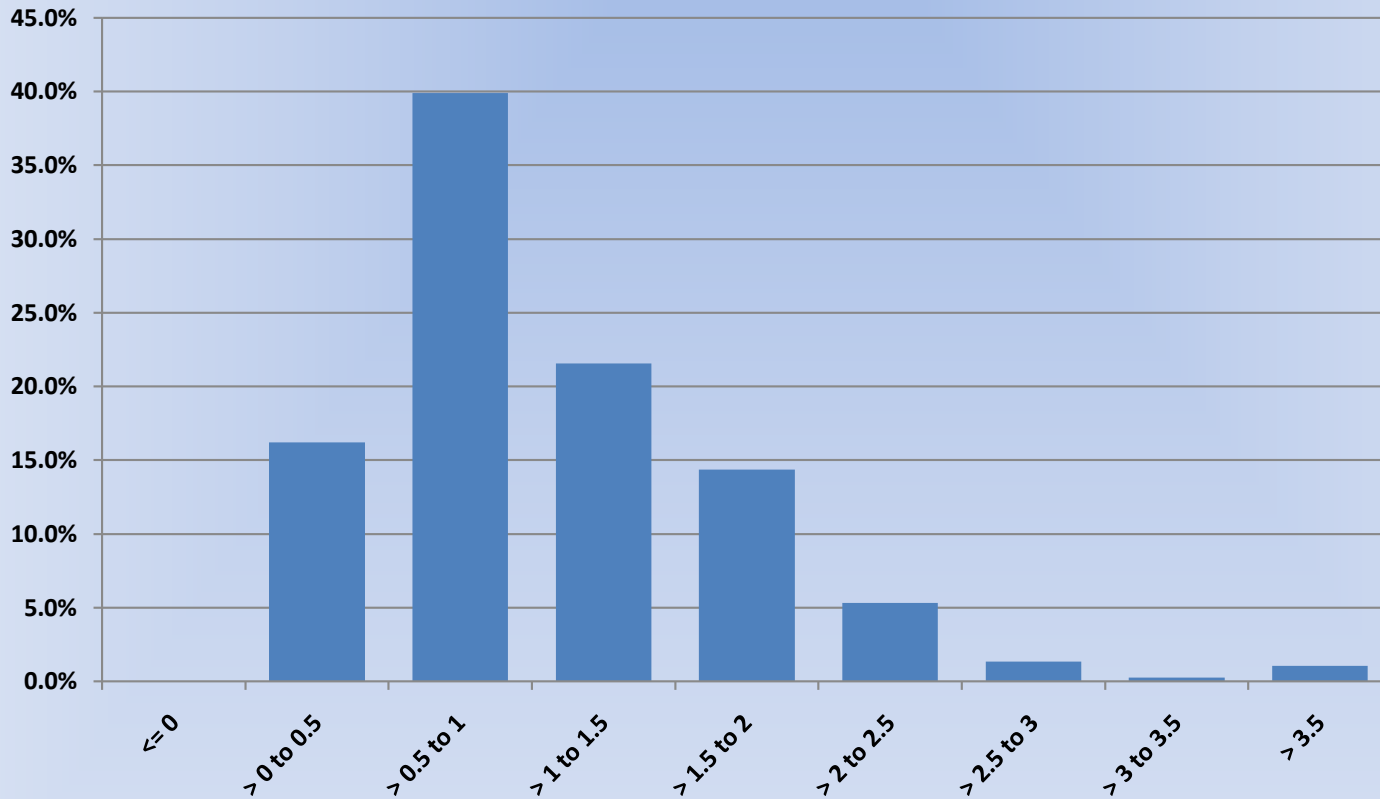

Minimum value 0
Maximum value 2.9
Average value 0.1087766

If the value is:

0 85% of the values are equal to or lower
15% of the values are higher

Shrunken & Broken Kernels (%)

Shrunken & Broken Kernels (%)

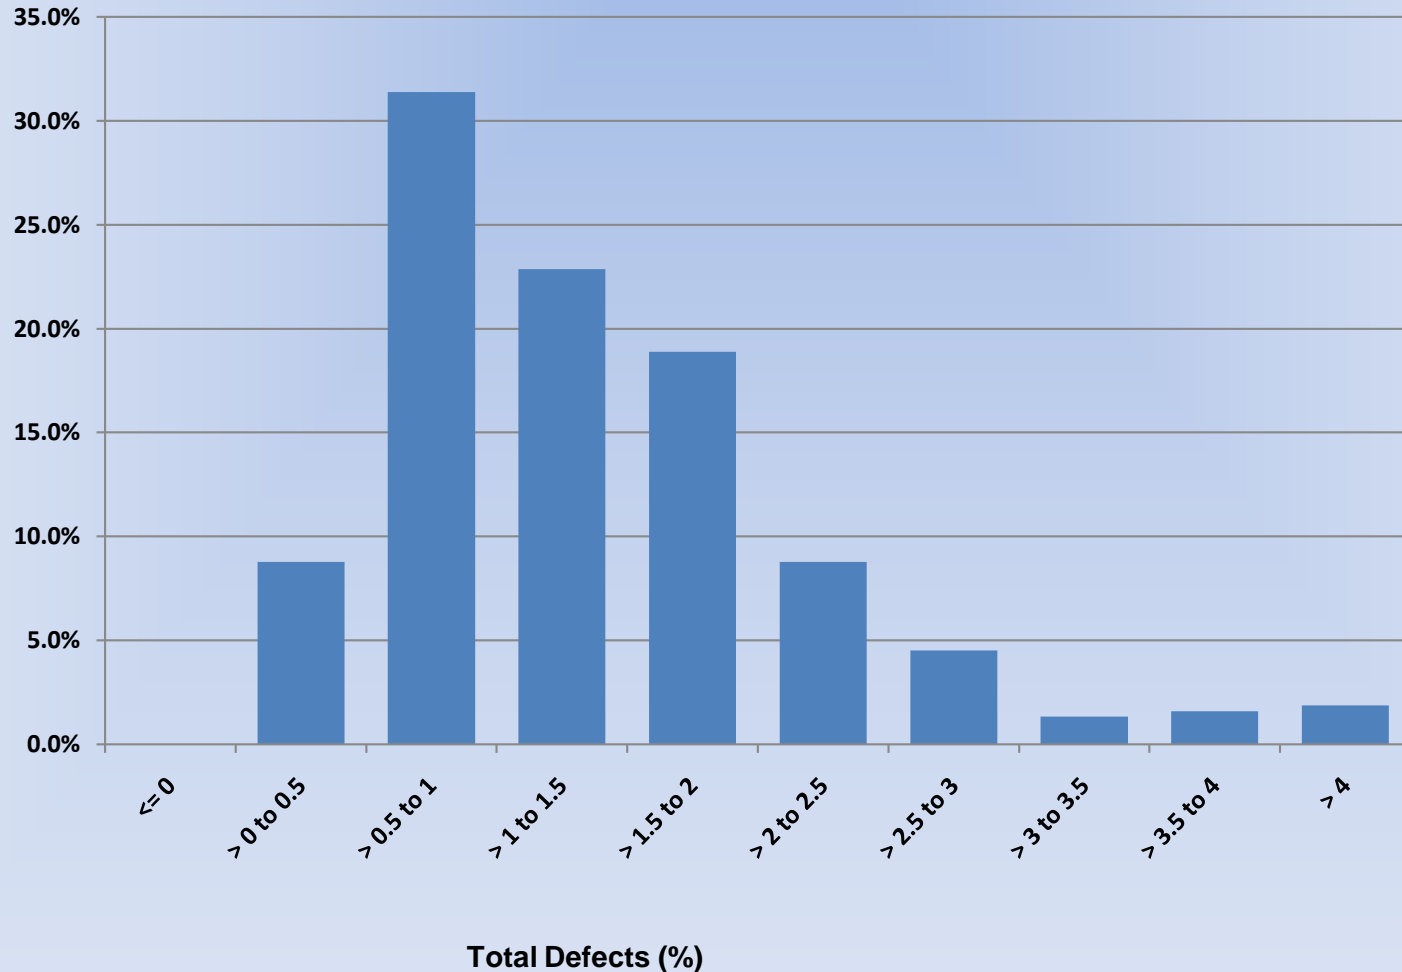

Minimum value
Maximum
value
Average value

0.1
7.5
1.1297872

If the value is:

1 56% of the values are equal to or lower
44% of the values are higher

Total Defects (%)

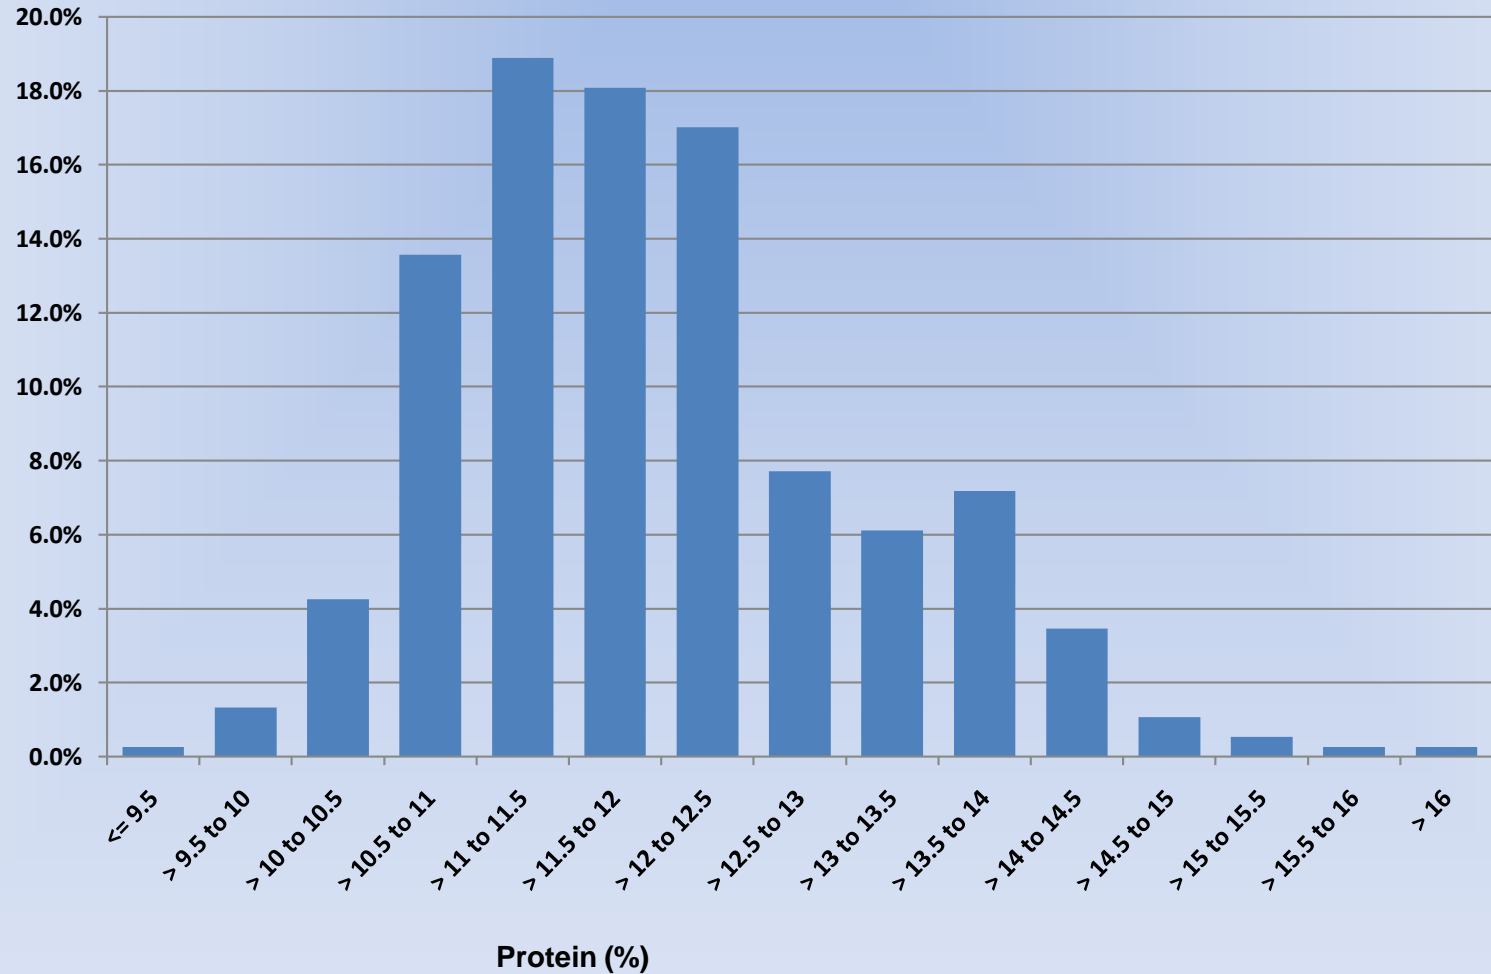

Minimum value 0.2
Maximum value 7.7
Average value 1.4351064

If the value is:

2 63% of the values are equal to or lower
37% of the values are higher

Wheat Protein (%)

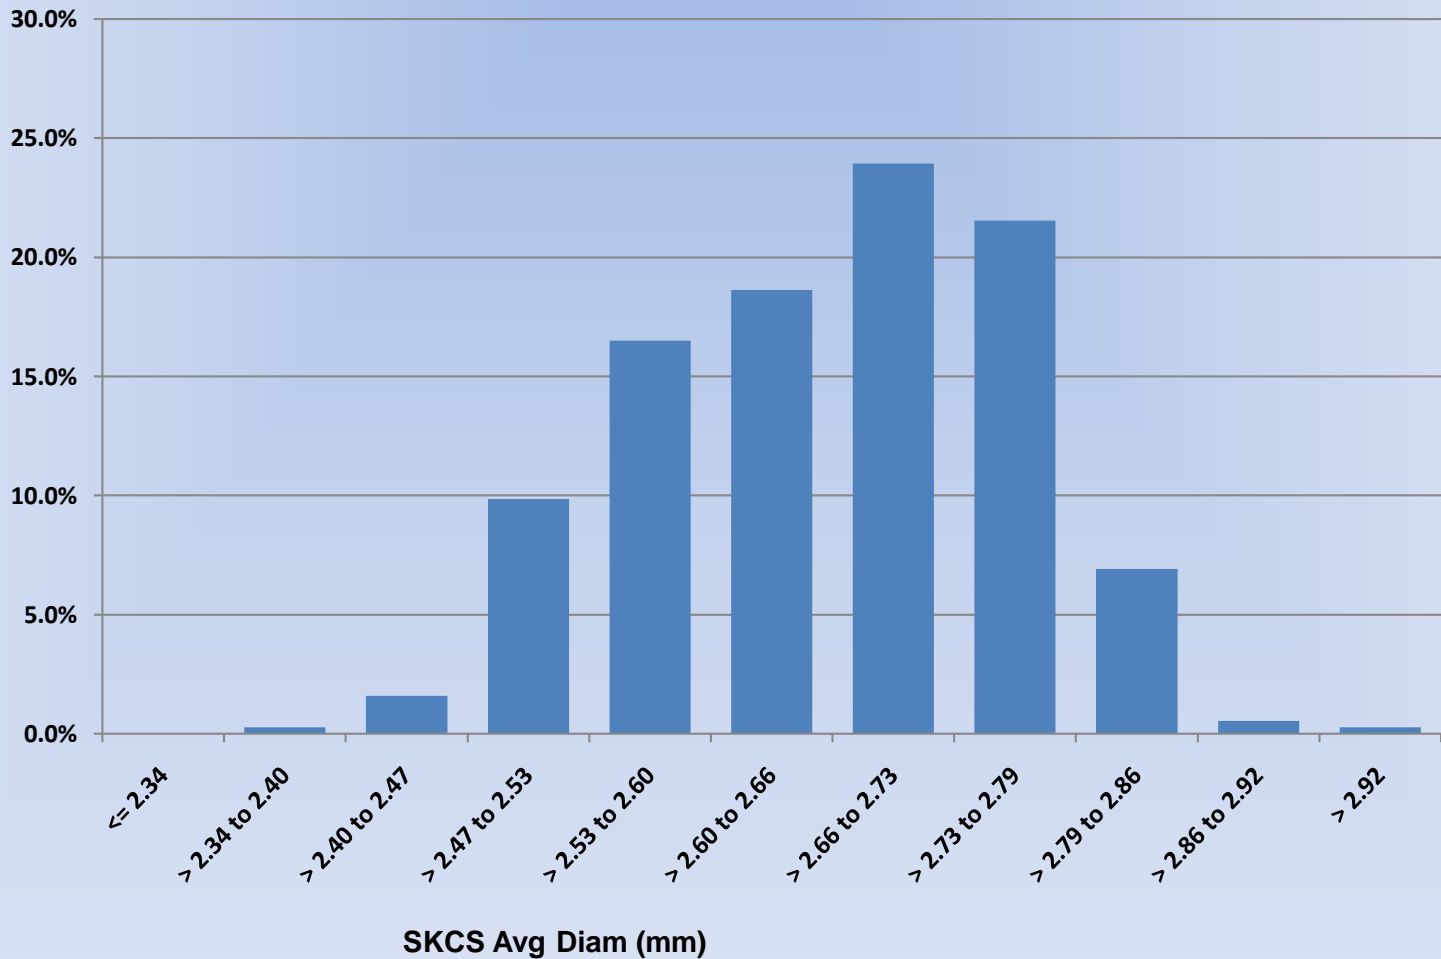

Minimum value 9.5
Maximum value 16.3
Average value 12.037766

If the value is:

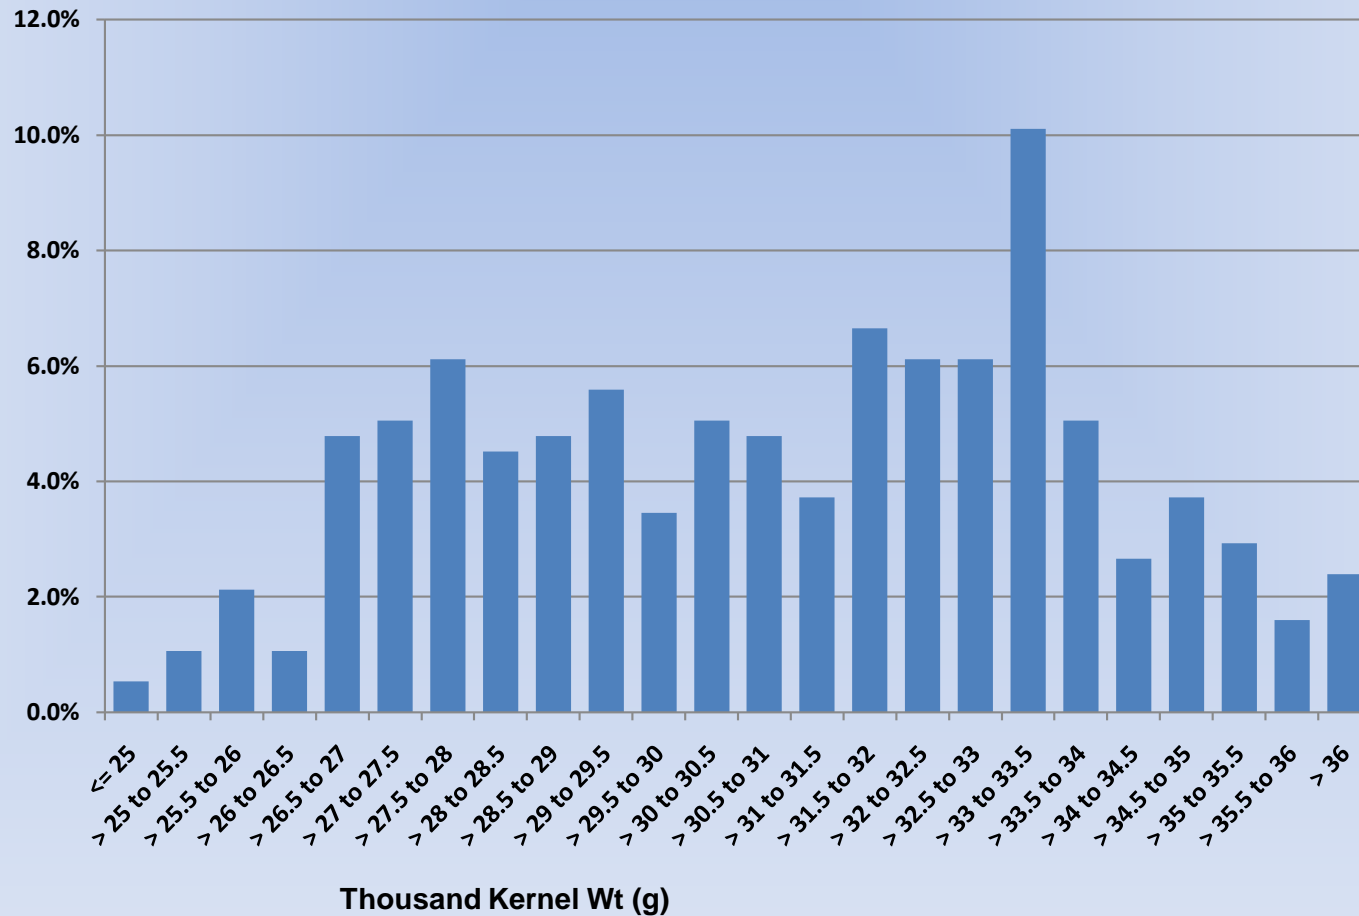

12 56% of the values are equal to or lower
44% of the values are higher

Kernel Diameter (mm)

Minimum value	2.34	If the value is:	2.60	29% of the values are equal to or lower
Maximum value	2.92			71% of the values are higher
Average value	2.66			

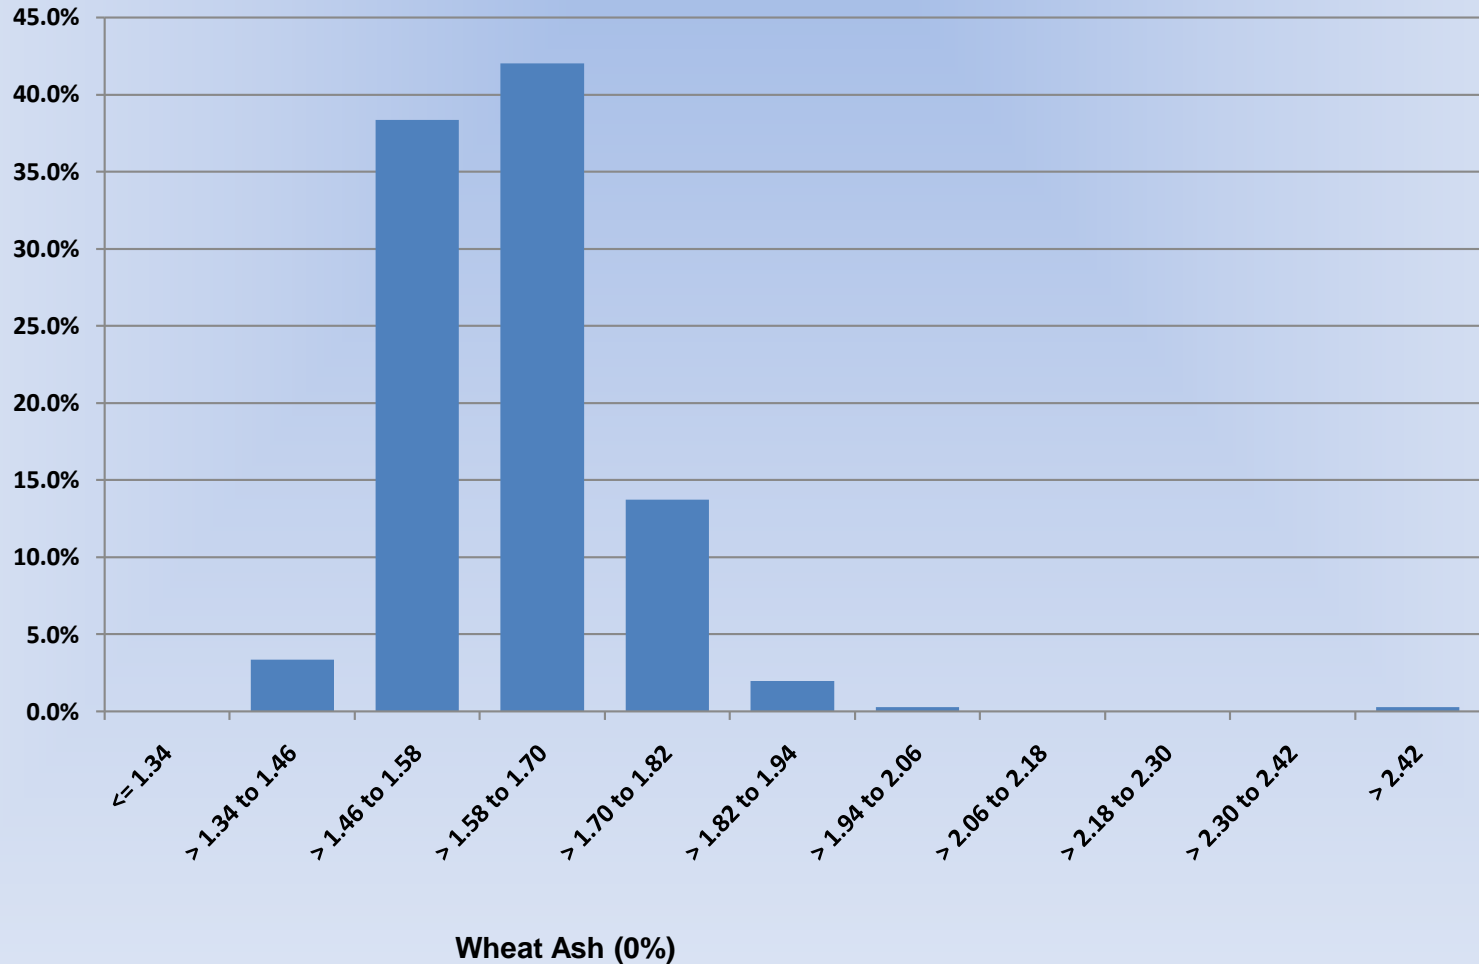

Thousand Kernel Wt. (gm)

Minimum value 22.51382
Maximum value 41.40423
Average value 30.920497

If the value is: **30** 39% of the values are equal to or lower
61% of the values are higher

Wheat Ash (0% basis)

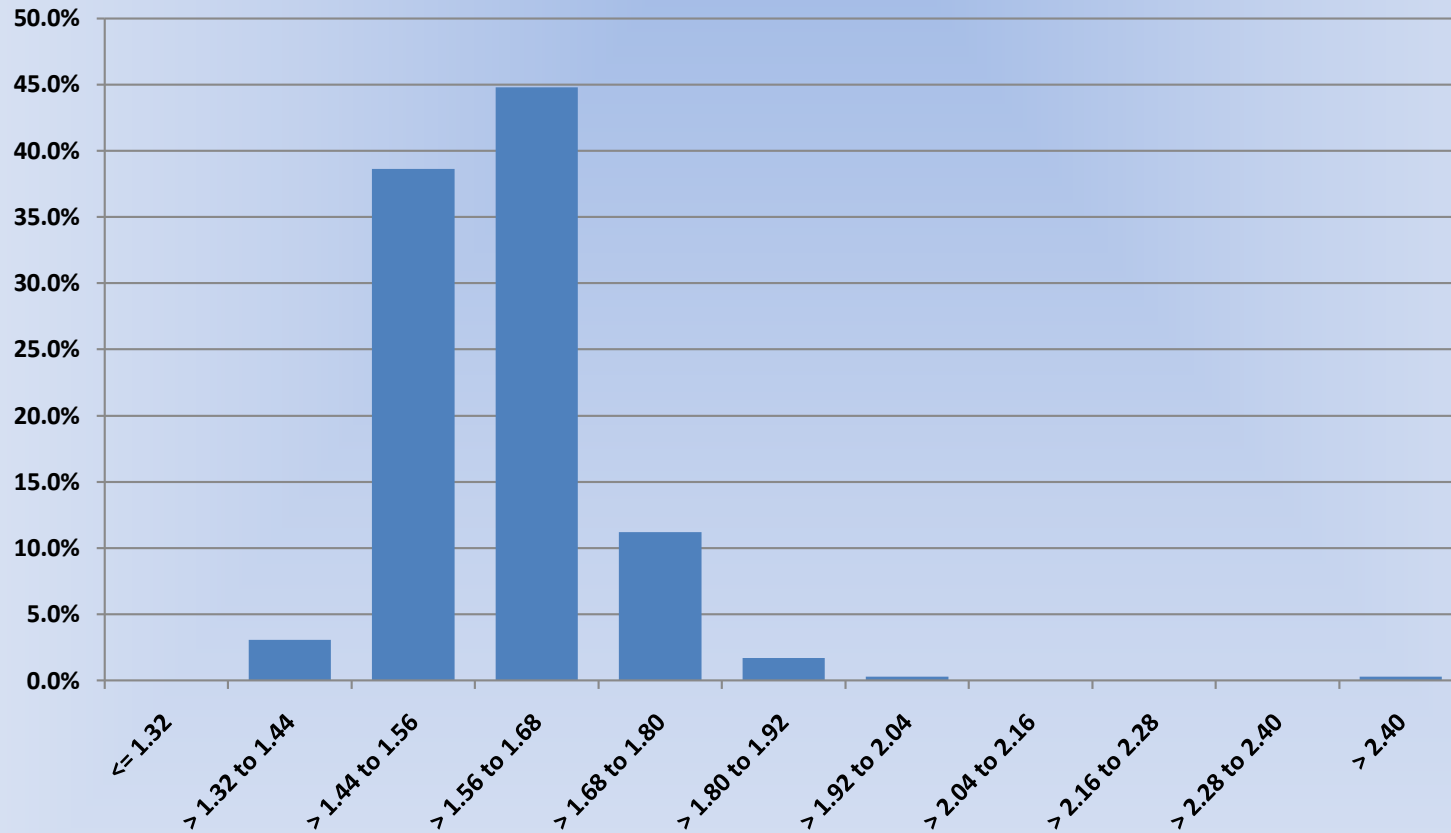

Minimum value 1.34
Maximum value 2.42
Average value 1.61

If the value is:

1.60 50% of the values are equal to or lower
50% of the values are higher

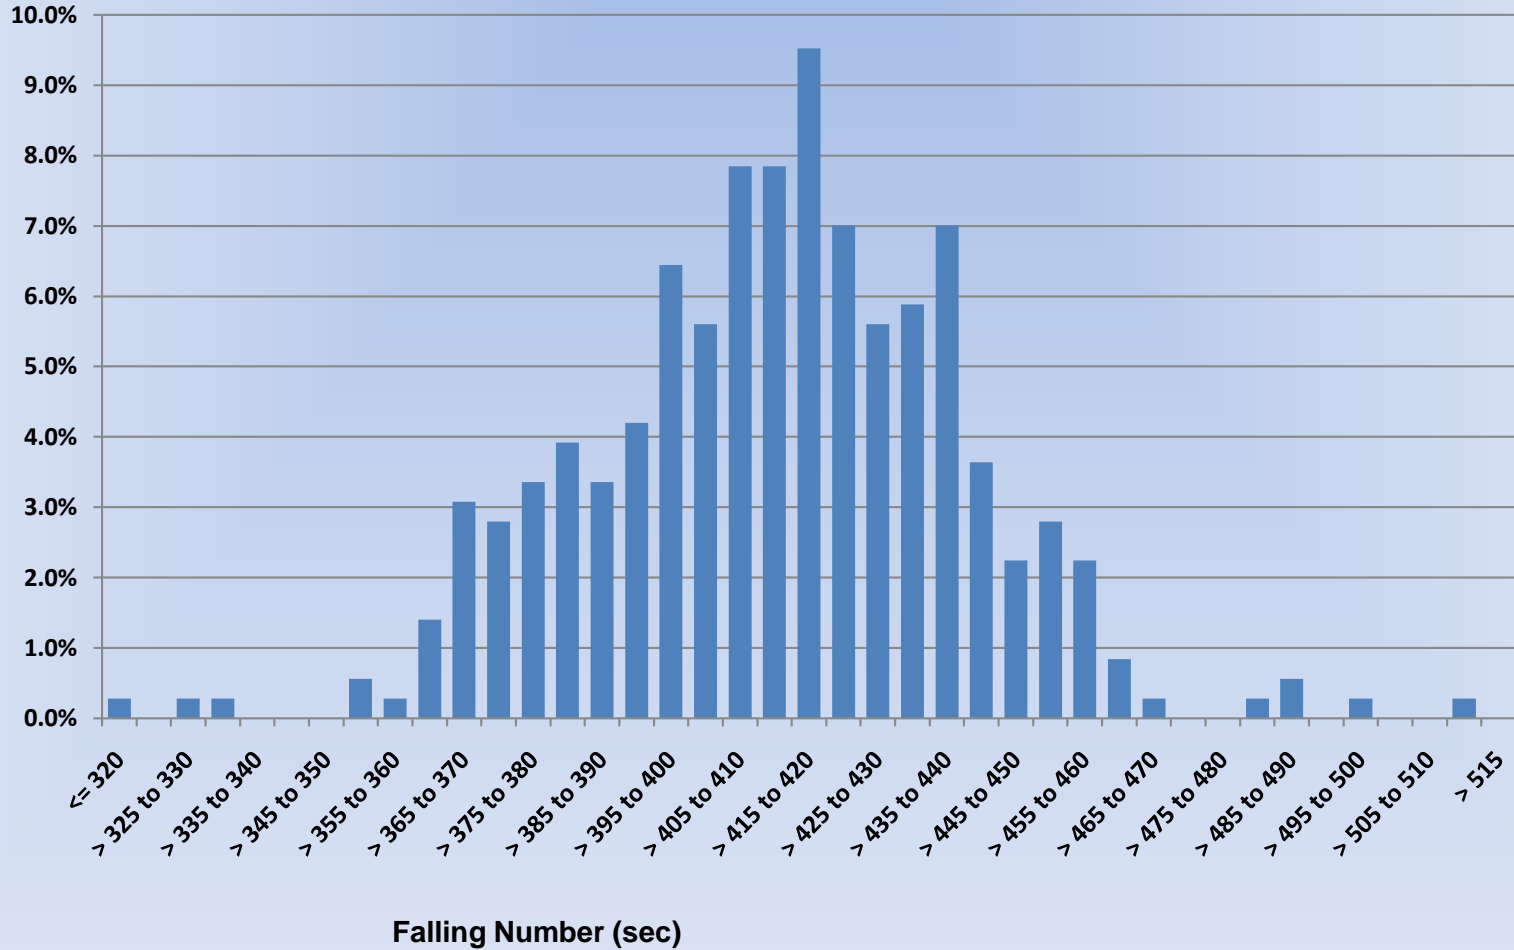

Wheat Ash (12% basis)

Wheat Ash (12%mb)

Minimum value	1.32	If the value is:	1.60	61% of the values are equal to or lower
Maximum value	2.40			39% of the values are higher
Average value	1.59			

Falling Number

Minimum value 320
Maximum value 515
Average value 413.35294

If the value is: **413** 49% of the values are equal to or lower
51% of the values are higher
