Damage Kernels Total (%)	Foreign Material (%)	Shrunken & Broken Kernels (%)	Total Defects (%)	Protein (%)	Falling Number (sec)
0.3	0.1	0.6	1.1	12.0	372.4

## Weather Outlook

## Nebraska Wheat Crop Report

### State Report

Harvest across the state is about 96% complete.

Overall, Nebraska's wheat crop performed better than expected, despite an extremely dry planting and growing season.

With the harvest season wrapping up, this will be the final crop report until planting begins.

Stay tuned — planting season will be here before we know it! □

# Calendar of Events

## Wheat Field Days

June 18 - August 28: Montana State University
